*“A human being **must know** that there is **a treasure dwelling** within all lives.*

*“A human being **must understand** those qualities, those actions, correct behavior, good conduct, goodness, love, that the hunger of others is like one’s own hunger, that the sorrows of others are like one’s own sorrows, that the difficulties of others are like one’s own, **while selflessly** dedicating himself to others, **while understanding** the difference between sin and virtue, **while understanding** darkness and torpor, **while understanding** the difference between light and darkness, **while understanding** the difference between*

truth and falsehood, while understanding the difference between human and animal.
