## **Posting:**

***“For those of us who have faith in God alone, there is only one teaching.***

***“Whatever religion we belong to, whether it be Hinduism, Zoroastrianism, Christianity, Judaism, or Islām, and whatever prayers we say, what is it that we are really searching for?”***

***“Only one thing — that Treasure which is God.***

***“Those who have no faith need many things in this world.***

**“They find satisfaction in unjust actions, political disturbances, jealousy, deceit, selfishness, and pride.**

**“But those who search for these things will never find peace or equality.**

**“They lead a life without unity, justice, or peace.**

**“That is their hell, and they make this endless hell their life.**

**“However, any society that recognizes the one God and holds nothing equal to Him, any society that holds onto that one Truth, worshipping Him, praying to Him, and surrendering to Him— any society that has reached that state of understanding needs only one Master.**

**“The people of such a society need only God, His qualities, His actions, His conduct, His grace, His patience, and His compassion.**

**“What else is there that matters?**

*"My very precious children, we must dissect every thought we think, every wise thing we learn, every realization we receive, all the feelings we become aware of, all the clarity we experience, all the prayers we pray, all the scenes we look at, all the dreams we dream, and our conduct by day and by night.*

*"We must dissect all this, look at it, and understand.*

*"Then from all this we must extract love, truth, justice, integrity, honesty, and the laws of righteousness.*

*"We must discover these truths within that love and conduct our lives accordingly.*
